Pick-Your-Prize Raffle
Be represented in the best raffle of the summer!

On August 5th thousands of paddlers and spectators will take part in the **Lake Champlain Dragon Boat Festival** at the Burlington Waterfront. Dragonheart Vermont is a breast cancer survivor and supporter dragon boat organization working to encourage cancer survivors to live life to the fullest after a cancer diagnosis. This year, the lake Champlain Dragon Boat Festival Pledge Partner will be Integrative Therapies at the UVM Cancer Center. Integrative Therapies provides acupuncture, yoga, massage, mindfulness and other therapies to cancer patients and survivors. They have a proven track record for controlling pain, fatigue and other side effects while improving psychological outlook and quality of life.

The Lake Champlain Dragon Boat Festival is the organization's special way to introduce people to the sport of dragon boating and help others in our community diagnosed with cancer. We hope you'll come to the Festival and please visit: ridethedragon.org where your business will be listed, and <https://www.facebook.com/dragonboatfestival>.
