

Lake Champlain Dragon Boat Festival Mail-in Donation Form

The Lake Champlain Dragon Boat Festival, presented by Community Bank N.A. in 2019, is a charity dragon boat race event that encourages team effort and community giving to benefit cancer support in our Vermont community. The McClure Miller Respite House is Vermont's only Medicare-certified hospice residence, providing a home-away-from-home for people facing a terminal illness whose care needs are too complex to be managed at home. The majority of patients served in 2018 had a primary diagnosis of cancer. The Respite House mission is to provide the most highly skilled, comprehensive, person-centered care to these individuals and support for their families, regardless of age or financial resources. Funds received from Dragonheart Vermont will establish a "CARE FUND" to help ensure Respite House care is available to all who need it, regardless of ability to pay.
