

## 2020 Sisters at Heart Sponsorship Packages

The Sisters at Heart Celebration (SAH) is scheduled annually to begin the day before the Lake Champlain Dragon Boat Festival, Dragonheart Vermont's largest charity fundraiser. It is a weekend of camaraderie, learning and fun with other breast cancer survivor (BCS) dragon boat teams from around North America.

Saturday, Sisters at Heart Day is a special day of reflection and remembrance, filled with joy and love. Breast cancer, as with all cancers, initiates survivors into a club that no one wants to join. However, through gatherings like Sisters at Heart, survivors embrace this sisterhood with grace, courage and gratitude.

Your sponsorship enables Dragonheart Vermont to host this incredible weekend event. Thank you for your support.
