Dragonheart Vermont Mail-in Donation Form

Dragonheart Vermont's mission is to strengthen and empower breast cancer survivors and supporters through the challenging sport of dragon boating, instilling in its members the values of teamwork, fitness and community giving. Your donation helps to support the opportunity for weekly paddling sessions for team members throughout the summer on our beautiful Lake Champlain and for our teams to compete in several festivals each year. In addition, we sponsor the Lake Champlain Dragon Boat Festival annually and partner with a local cancer support agency—this year, **The Vermont Cancer Patient Support Foundation**—to reach even more cancer patients and survivors in our community. Thank you for joining our cause!
