"Giving Tuesday and holiday gift giving is just around the corner. I have a few ideas that will make your life easier and make a positive impact by supporting Dragonheart Vermont, a 501(c)(3) tax exempt, nonprofit, breast cancer support dragon boating organization that is near and dear to my heart.

1. Get everyone on your gift list a pair of Solmate Socks. Everyone needs socks. Solmate Socks is donating 50% of its sales in October and November to Dragonheart Vermont if you use this link: <https://solmatesocks.com/dhvt> Their patterned and colorful designs will knock their old socks off! Nice gifts! Your shopping is done! (We have an inside scoop that there will be more deals as Black Friday approaches, keep your eyes peeled for great sales; but if you procrastinate, you can place orders throughout the year, and Dragonheart Vermont will still benefit .... but at a smaller percentage.)
2. Purchase Solmate Socks from <https://solmatesocks.com/dhvt> and donate them to a local charity as socks are the #1 clothing need of those experiencing homelessness and very few charities accept used socks.
3. Socks not turning you on? Then simply make a Giving Tuesday or end-of-the year charitable donation directly to Dragonheart Vermont at <https://dragonheartvermont.org/donate/>. Donations can be dedicated to someone or to honor someone. Donations directly to Dragonheart Vermont are tax-deductible to the fullest extent of the law.

Choose one of these ideas and you'll feel great from your head to your toes! You'll have made a difference in Dragonheart Vermont's programming. You'll have made major — if not total progress — on your gift list. Speaking of gift lists, don't forget to plan ahead by ordering socks for your office's or other holiday party's Secret Santa, White Elephant, or Yankee Swap.

Thank you for considering these ideas. If you have any questions about Dragonheart Vermont or these ideas, let me know. Happy to chat about it."
